# GLOBAUDIT BUSINESS SERVICE LLC

Audit, Consulting, Tax Compliance  
Business Process Outsourcing

# Key Advantages

---

- We have a broad experience of servicing clients across different industries and areas. References in heavy industry and production are available by request from:

# Key Advantages

---

- We have a solid experience of tethering international accounting systems with local requirements from accounting and IT perspective. Our IT solutions rely on both local and international software.

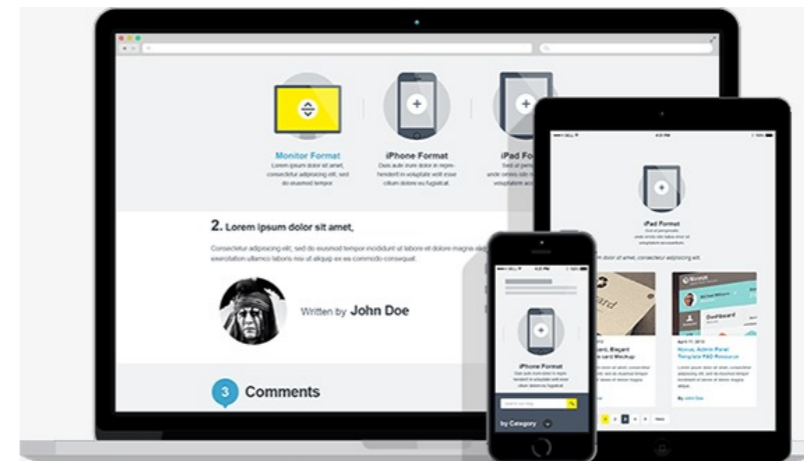

# Key Advantages

---

- We tailor our solutions to each client individually. Large companies would require more of our involvement with adhering to their internal standards, compliance and integration of inter-company systems. Smaller customers would usually rely on our solutions and praise the quickness of communication and mobility. So individual solution may vary from our integration into client's ERP system (SAP, Scala, 1C) or just be our custom channel within any modern communicator (Telegram,

WhatsApp etc.) that makes communication and documents exchange swift.
